PRODUCT DESCRIPTION

ARREDOLUCE Triennale floor lamp was designed by Angelo Lelii and manufactured in Monza, Italy in the 1960s. Constructed of nicked brass, enameled steel and aluminum, leather, marble, and three sockets. Stamped "made in Italy" twice, once to the top of the post and once to the underside of the marble. This piece is in exceptional condition with very little signs of wear.

Fully adjustable and works as intended. No damage or repairs.

Center Rod 56.5" H Base Diameter 11.75"
