### PRODUCT DESCRIPTION

Italian Modernist Credenza by Vittorio Dassi for Dassi Mobili Moderni

A phenomenal early Italian modernist server in sculpted Italian walnut with hand-carved mahogany bases, black milk glass top, hand-forged solid brass ornamentation and verde marble base with brushed brass reveal. An elegant and functional piece of heirloom quality furniture designed by Vittorio Dassi who was a contemporary of Ico Parisi and Gio Ponti. Three doors open to reveal a single curved adjustable shelf and one conceals a bank of drawers. The overall height to the top of the ornamentation is 51" the height to the top surface of the cabinet is 46". Please contact the gallery for further information.
