PRODUCT DESCRIPTION

The Klutch chair was designed by Karim Rashid for Riva 1920 in collaboration with Lamborghini. The upholstered chairs are covered with hand-stitched suede leather and solid walnut sculpted bases. They were created to provide the same level of luxury for the home that you would find in the interior of a custom Lamborghini automobile.

Complementary, custom 1960's California craftsman game table available separately.

Very Good Condition - Wear according to age and light use.
